Boloor Harijan Welfare School is one of the 47 Harijan Welfare Schools of this District. It is in Mangalore town and is very close to the Government Basic Training School,Mangalore. These proposals will be submitted to Government under part III Scheme in due course.

2/- The Dt.Educational Officer, S.Kanara in his reference cited (copy enclosed)has requested the Dt.Welfare officer, S.Kanara to address the Director of Harijan Welfare, Madaas for obtaining the approval of the Government in the Rural Welfare Department, for the conversion of the school into basic school in the year 53.54 and for the opening of a pre basic section in that school, in the year 54.55, under Part II Schemes, Hence this is my proposal for the conversion of the school into basic school with effect from the school year 1953.

3/- Boloor H.W.School is one of the 41 non basic Harijan Welfare Schools of this District out of the 47 Harijan Welfare Schools of this District, six schools, have already been converted into Basic Schools and 41 schools, remain to be so converted. One school has now been proposed to be converted into basic school. There are two teachers in the school, of whom, one is a basic trained teacher and the other has been deputed for retraining in Basic Education this year. There will be two basic trained Teachers after July 1953. Hence the school may be converted into basic school for the year 1953.54. I therefore request that sanction may be accorded for the conversion of the school into basic school, with effect from 53.54. The financial implications involved on account of the proposal are furnished below:.

1.No of Basic Trained teachers in Boloor H.W.School 2

2. No.of standards to be converted into basic 5
